## WAITING FOR THE END TO COME

**Sultan Will Remain With His Family and Resignedly Wait for the Final**

**HAS NOT ABDICATED THRONE**

Constitutionalists Lines Now Envelope the City of Constantinople and Invading Army Expect to Enter Tomorrow Without Any Opposition

CONSTANTINOPLE, April 20.—Sultan Abdul Hamid is awaiting in his palace for whatever may befall his grand vizier. Tewfik Pasha has announced that the Sultan is without fear. The Sultan will remain with his family and accept resignedly the fate prepared for him and his country. Tewfik Pasha and the minister of war, Edhem Pasha, who sent in their resignations last night have decided to withdraw them today and the grand vizier is passing the most of his time with the Sultan. Nazim Pasha is still in command of the garrison, but no preparation has been made to resist the advance of the Salonica troops. The Constitutionalists lines now envelope the city, but the commander in chief, General Huseini Pasha, is still at Hademok and it is not likely that the invaders will enter the city before tomorrow night or the following day. It is understood that the Salonicians have submitted to the government a list of persons whose punishment is desired for complicity in the recent mutiny.

Tewfik Pasha, commenting to one of the ambassadors on the rumors that the Sultan had taken flight on Sunday, said the Sultan is not physically timid and would remain. The Constantinople garrison is deserting to the side of the Constitutionalists. Capital troops have been leaving the city since Sunday morning, but the outward flow set in heavily today. It is estimated that 4000 men have gone over to the invading army without opposition from the officers or comrades. The principle suburban railways ran special trains throughout the day to accommodate the thousands who are anxious to see the advancing troops. The rank and file of the invading army, especially the volunteers, are a fine body of looking young men. They appear to know the aims of the committee on union and progress and are enthusiastic and determined in their support.

### MORE FIGHT TALK.

NEW YORK, April 20.—More fight talk is going the rounds in New York today. ## SHARP CONTEST ON INCOME TAX

**Opponents and Supporters of the Income Tax Will Wage Wordly War on Bill**

**DEMOCRATS FAVOR THE TAX**

Expected With United Democratic Vote Assisted by a Number of Republicans Who Favor an Income Tax Measure Will be Passed.

WASHINGTON, D. C., April 20.—It is evident from the activity of opponents and supporters of the income tax proposition to ascertain the strength of the other that this question will furnish the sharpest contest to be waged in the Senate during the tariff revision session of Congress. In view of the fact that the Democrats are said to be unanimous for an income tax measure, the leaders of the "insurgent" Republican faction appear to be confident of victory.

On the other hand, opponents of the income tax assert that the Democrats are not united and declare that some of the insurgent strength for additional internal taxes will be lost the moment Senators are convinced that the pending bill will produce sufficient revenues for the needs of the Government.

Among the Republicans declared to be in favor of an income tax are: Senators Borah, Brown, Burkett, Clapp, Crawford, Cummins, Dixon, Gamble, Guggenheim, La Follette and Nelson. In addition to these, some insurgents are claiming Senators Jones, Bourne, Heyburn, Johnson of North Dakota and Dooliver. If the votes of all these Senators should be cast for an income tax provision, they would be more than sufficient to pass it in the Senate, unless a break should occur in the Democratic ranks.

### NEW YORK LOCAL ITEM.

NEW YORK, April 10.—After having been inspected by Fire Chief Croker, it is likely that changes will be made in the new stands erected at the polo grounds, or National League Park, in the upper part of the city. Chief Croker does not consider the stands safe in case of fire, as there has been some criticism of the arrangement of the exits. A report on the subject is now in the hands of Commissioner Hayes.

## STUDY THE SOULS OF THE CHILDREN

### ANOTHER EFFORT TO SAVE AND REDEEM YOUNGSTERS AT WINDY CITY.

CHICAGO, April 20.—Study the souls of children. That is one of the purposes of the Juvenile Psychopathic Institute, organized in Chicago by philanthropic citizens and prominent settlement workers. Its final objects are to obtain for juvenile offenders proper treatment, according to their mentality and surroundings and to achieve a diminution of juvenile criminality by eradicating the contributing causes in individual cases.

The organization has employed competent medical talent and each child brought into the juvenile court will be examined physically and mentally and his home surroundings and even his ancestry inquired into with a view to determining the cause of delinquency.

### FIRE DESTROYS COTTON.

Five Thousand Bales Go Up In Smoke At Little Rock.

LITTLE ROCK, Ark., April 20.—Five thousand bales of cotton, estimated in value at \$250,000 were burned early today in a fire which for several hours threatened to destroy the plant of the St. Louis Compress company, valued with its contents at \$1,000,000. The fire was discovered shortly after 1 o'clock and fanned by a stiff wind, gained quick headway and was soon beyond all control. After it had burned for almost two hours, a sudden shift in the wind diverted the blaze from the main portion of the building in which were stored 15,000 bales of staple and the fire was finally checked shortly after 3 o'clock. The loss is fully covered by insurance.

While the origin of the fire has not been definitely ascertained, the superintendent, W. T. Black, thinks that a spark from a passing locomotive might have been responsible.

## TUNNELLED UNDER A SUFFOLK BANK

### SUCCESS IN SECURING \$1500 AND MAKING THEIR ESCAPE.

SUFFOLK, Va., April 20.—Tunnelled their way under four other buildings to reach the vaults, robbers gained admittance to the bank of Suffolk and escaped with \$1500. ### TRACING A MURDER.

San Francisco Police Learn Whereabouts Of Fugitive Woman.

SAN FRANCISCO, April 20.—Through a letter written to an Italian woman in this city the police have found trace of Mrs. Pierre Terriorico and a possible clew to the whereabouts of her husband, who has been sought since April 1905, for the brutal murder of Bragio Villardo.

For a year after the crime was committed Mrs. Terriorico was shadowed in the hope that she would eventually lead the detectives to her husband's hiding place. She went to New Orleans and there all trace of her was lost.

Recently it was learned that the woman had written a letter to a friend here declaring she longed to return. The missive was dated at Chicago and the police of that city have been requested to watch the movements of the writer.

Terriorico is charged, cut up the body of Villardo, and carried it in a sack for several blocks.

### LOOKS LIKE ACID THROWING.

New York Police Investigating Trouble Arising Out Of Strike.

NEW YORK, April 20.—The police are investigating what appears to be a case of acid throwing in connection with the teamsters strike against several downtown firms. Two men who said they were strike breakers, applied for treatment at a dispensary yesterday afternoon, both of whom were badly burned about the face and neck with sulphuric acid. The attack is supposed to have been made on the waterfront near Canal Street, although the police have no record of such an encounter. The condition of one of the men is serious.

## JEFFRIES WILL FIGHT NEGRO

**Will Defend His Title to the Undeclared Champion Pugilist of the World**

**CHAMPION LOUDLY CHEERED**

When the Announcement Was Made That Jeffries Would Fight Jack Johnson, Audience Leaped From Their Seats and Cheered Lustily.

NEW YORK, April 20.—"I will fight Mr. Jack Johnson. I will defend my title as the undefeated heavyweight champion of the world." Before an audience that packed American Music Hall in which there were as many women as men, James J. Jeffries made this formal announcement tonight. It was the signal for great joy. Excited men leaped from their seats, shouted and cheered and the women applauded. Their shrill and exciting cries of approval as they stood up and waved their handkerchiefs, bowing and blushing the undefeated champion added picturesqueness to the scene. In the streets were hundreds of persons who could not get into the theatre, although high premiums were offered for seats.

After his sparring exhibition with Sam Berger, the audience shouted for Jeffries to come out and make the statement he had promised. The big fellow soon appeared. His dressing gown only revealing his shaggy head and great red fists. The house went literally wild and Jeffries stood near the footlights bowing and raising his hands for order. After several minutes the audience became reasonably quiet and Jeffries began.

"Ladies and gentlemen," "Cut that out Jeff; come to the point," cried voices from the gallery. "I thank you from the bottom of my heart."

"Never mind that; are you going to fight," same another voice.

"I suppose you want to hear something else," continued Jeffries, only smiling at the interruption.

"You bet we do," yelled dozens.

"Well, I am satisfied after about seven weeks' work."

"—that I can get into as good as I ever was and I will fight Mr. Jack Johnson."

If Jeffries had anything more to say he never heard it. He ran off the stage while the auditorium became a bedlam of noise and cheers.

There are several conditions attached to Jeffries re-entry into the ring. First, Johnson must defeat Ketchel. Then Jeffries cannot sign articles for possibly ten months and he insists that the fight take place in this country and the number of rounds be unlimited.

### FASTEST DESTROYER IN NAVY

PHILADELPHIA, Pa., April 20.—The torpedo boat destroyer Smith, the first of a new type of vessel and which is expected to have a greater speed and a wider steaming radius than any now in the United States Navy, was successfully launched today at Cramps' shipyard. The christening ceremony was performed by Mrs. Edward B. Richardson of Brookline, Mass. Mrs. Richardson is a daughter of Rear Admiral Pillsbury and a distant relative of Lieut. Joseph B. Smith, in memory of whom the vessel launched today was named. Lieut. Smith was a distinguished officer of the navy during the civil war period and was in command of the warship Congress when the vessel was sunk in Hampton Roads by the Confederate ironclad Virginia.

### TO BREAK WHEAT CORNER.

WASHINGTON, April 20.—Representative Hughes of West Virginia has evolved a method which he believes would relieve the wheat market. He has introduced a bill authorizing and directing the Secretary of the Treasury to make full rebate of the duty imposed by the Dingley act on wheat imported into the United States from foreign countries for a period of one year, from the passage of this bill.

### CROKER TO LEAVE.

NEW YORK, April 20.—John Fox, president of the Democratic Club, confirmed last night the report that the club has abandoned the idea to give Richard Croker a farewell dinner before his departure for Ireland next week. It had been reported on several occasions that Mr. Croker would be present at a "Harmony dinner" at which it was hoped that some of the warring factions in Tammany might be brought together. But it is now probable that an informal reception for the old leader will be the only testimonial before he sails. It is understood that he decidedly vetoed being a political "harmonist" and the dinner plan was dropped at his request.

### DIES OF BROKEN HEART.

Grief Of Chicago Girl For Her Dead Brother Kills.

CHICAGO, April 20.—Miss Rose Fremel, fell dead at the funeral of her brother, Bohumil yesterday as the last words of eulogy were being said over the casket.

Pent up grief, which had found no utterance since the death of the brother she loved, more than a week ago in Colorado, had prevailed. Physicians declared that her death was caused by a broken heart.

While the physicians were working over her lifeless body, her parents and sisters were following the body of her brother to the grave, ignorant of their double bereavement. They believed she merely had fainted. When they returned to their home they found it again a house of death.

Brother and sister had been companions and playmates since the sister the younger, could limp.

## BULLS IN WHEAT CAUSE DROP

**Secretary Wilson Knows Something About Crops, so Say the Knowing Ones Outside**

**THE SPECULATIVE PENDULUM**

Small Speculators Who Pinned Their Faith to Patten Find Themselves Down and Out, While Patten is Making Millions.

CHICAGO, April 20.—Bulls in wheat were leaderless today and the dashing bear raid wrought confusion in the pit when July closing at 1.12 5-8 showed a material net loss. The raid weeded out a large number of small margin traders, enabling a lot of profit to be taken by the shorts not to mention the reinstatement of long lines previously disposed of at a material net loss. The raid weeded out a large number of small margin traders, enabling a lot of profit to be taken by the shorts not to mention the reinstatement of long lines previously disposed of at a higher figure.

"Is Old Mother Earth warning Patten" that Secretary Wilson knows something about crops, said the speculative pendulum, reaction is only natural," said the bulls.

"Why didn't the Patten crowd support the market?" was the question put by small speculators who had pinned their faith to Patten and asked that the bull leader would take care that prices did not run away.

"Because it is none of Patten's business," Patten's side answered. He has lots of wheat but is not manipulating prices. He knows the conditions will cause prices. Whether Patten purchased is a matter of conjecture although there was an unconfirmed report that the bull leader bought heavily as the decline and stopped July before it got below 112 1/2 in its headlong tumble. Customers of Patten's house, however, declare that there was nothing throughout the day to indicate that the bull leader had taken any interest in the market. Apparently, he left it to its fate, although his eyes seldom left the blackboard where the quotations were marked up.

Libertyville, Marengo, Kewanee, Crescent City, Lebanon, Litchfield, Carlisle, Plano, Naples and Dubois. Great interest was taken and a determined fight was made by both sides. At midnight the indications point to a number of cities heretofore dry will remain so. Nothing definite is heard from cities voting on local option.
